Import Tariffs

Montserrat is a member of the [Caribbean Community \(CARICOM\)](#), along with Antigua and Barbuda, the Bahamas, Barbados, Belize, Dominica, Grenada, Guyana, Haiti, Jamaica, St. Kitts and Nevis, Saint Lucia, St. Vincent and the Grenadines, Suriname, Trinidad and Tobago. Only slightly more than half of the members appear to have implemented the CARICOM common external tariff (CET) whereby goods entering any member country from nonmember countries will be assessed with the same tariff rate. Consequently, a wide range of applied tariff rates continue to exist across member countries.

Customs value is based on the c.i.f. (cost, insurance, freight) value of the goods at the time of import and includes all other foreign costs. The following tariff rates are from the general CARICOM CET.
